	TC450R	2006-2008	Stock	External	8002
Kawasaki	KX250F	2007-2008	Stock	External	8001
KTM**	SXF	2007-2009	SX New model	Internal	8031
	250 / 450 / 525 SXF	2002-2006	Stock / Oval*	Internal	8032
Yamaha	YZ250F	2006-2008	Stock	External	8001

Important Information - Please Read

* Part 8030 (end cap) will not fit the new octagonal KTM SX Mufflers

** KTM makes several different versions of silencers for 2007, please confirm by checking the internal perf tube to see if it is tapered and the silencer is an oval style. They are not for bikes with the large oval perf tubes that have the Krizman style spark arrestors in the middle of the core.
